Hello,

Thanks for reaching out to OpenAI! This inbox is no longer monitored, but we want to make sure your message gets to the right place — and to a team (and our models) that actively review and respond to incoming requests.

For support-related questions, please visit: help.openai.com

For sales-related inquiries, including product information, partnerships, and enterprise needs, please submit your request here: openai.com/contact-sales

If you're reaching out about Zero Data Retention (ZDR), please note that eligibility requires a minimum annual spend commitment of \$25,000; the Contact Sales form above is the best way to get evaluated and onboarded.

Both of these channels are continuously monitored by our dedicated staff and our AI systems to ensure you get the fastest, most accurate help.

Thank you!

The OpenAI Team
